This calendar was prepared for 180 teaching days plus three additional days which may be needed for inclement weather. If the three days are not used for inclement weather, June 14, June 13, and June 12 will become non-school days, in that order. Therefore, if no days are used for inclement weather, school closes on June 11. If two days are used, school closes on June 12. If one day is used, school closes on June 13. This calendar is not part of an employee's contract.
