January 6, 2017

Dear Parent/Guardian:

Graduation for your child is among our chief goals here at Sussex Central High School. To reach that goal, students must successfully pass their classes and meet state requirements for earning verified credits by passing Standards of Learning (SOL) tests. SOL testing will be conducted **January 10-February 7, 2017**. The detailed SOL schedule is listed below. Please ensure that students are present and on time each day.

As students prepare for these tests, please remind them of their importance. Passing tests will allow students to meet graduation requirements. We thank you in advance for supporting our efforts to celebrate the successes of your child.

Sincerely,

Ms. Alvina Matthews
Principal

TEST DATE	SUBJECT(S) TESTED
Tuesday, January 10, 2017	English 11 Reading
